Denmark

Hereinafter referred to as Supplier, declares:

- Supplier has pre-registered. Supplier is a polymer recycling company. According to EC 1907/2006 article 2.7d, polymer recyclers are not obligated to register the substances contained in the recycled Items.
- Supplier has included the use of the products (raw material for the plastic industry) in its (pre)registration at ECHA.
- The synthetic polymer microparticles supplied are subject to conditions laid down by entry 78 of Annex XVII to Regulation (EC) No 1907/2006 of the European Parliament and of the Council.
- According to the best of our knowledge, none of our products contain substances that are on the REACH candidate list of Annex XIV/ SVHC in a quantity above 0,1 % w/w.
- Supplier confirms that we do not use or intentionally add substances restricted by EC 1907/2006 Annex XIV during processing of our products and contract work.
- In case the Supplier in the future intends to include substances as mentioned in the candidate list of Annex XIV in the Items, or in case a substance in the Items is included in a future candidate list of Annex XIV, Supplier shall inform the customer in writing as soon as possible of the name of the substance on the candidate list and the product in which it contains.
- We test our products continually and periodically. The tests are REACH screenings for relevant risk substances from the SVHC candidate list and are always according to the latest updated SVHC candidate list. The tests are performed by an external accredited laboratory.
